

KBC Treasurer Function – Alternative Proposal

Date: 1/9/26

Purpose

To present a proposed, alternative approach for fulfilling Kingsville Baptist Church's Treasurer responsibilities in a manner that is financially responsible, operationally sound, and consistent with church governance.

Background

The KBC Personnel Committee has been evaluating the use of a third-party firm (Miller Management) to meet Treasurer needs at an estimated cost of \$8,200 per year. As of this date, no final determination has been made regarding affordability or necessary budget revisions.

A new alternative has since come to our attention and is being presented for consideration.

Proposed Alternative Structure

This proposal recommends dividing Treasurer responsibilities across qualified service providers, staff, and committees. One party to perform all functions appears to not be possible.

1. Payroll & Tax Services (Outsourced)

Provider: Stella Smith, Holden Tax Service

Estimated Cost: Less than \$500 per year

Scope of Services:

- Payroll processing
- Direct deposit of paychecks
- Social Security withholding and payments
- Preparation and filing of W-2s
- General payroll-related guidance as needed

2. Day-to-Day Treasurer Functions (Internal)

Assigned To: Linda Davis (Current Paid Secretary – approx. 8 hrs/week @ \$16/hr)

Scope of Responsibilities:

- Writing most checks
- Accounting for giving and designated funds
- Supervision of Sunday offerings and Counting Team
- Online giving administration
- QuickBooks entries and routine financial tracking

Linda has been consulted at length and has expressed willingness to assume these additional duties under the following conditions:

- Any questions, concerns, or performance feedback related to Treasurer duties are directed first to the Finance and/or Personnel Committees, who would address them with her as appropriate.

This structure is intended to promote clarity, protection, and healthy communication.

3. Oversight & Reporting (Committee-Based)

Certain Treasurer responsibilities would remain outside the scope of Stella Smith and Linda Davis, including:

- Final preparation of financial reports for business meetings
- Presentation of reports and response to congregational questions
- Reimbursements below a TBD dollar amount, clearly within a budget will be paid to the KBC Treasurer. Reimbursement requests above a dollar amount, over or outside of a budget, or of some question will be referred to the Finance Committee for approval.

-

Recommendation: These responsibilities to be assumed by a designated member (or members) of the Finance Committee.

Summary of Benefits

- Significant cost reduction compared to third-party outsourcing
- Utilizes trusted, existing personnel familiar with KBC operations
- Maintains appropriate checks, balances, and committee oversight
- Provides flexibility as KBC continues to assess long-term administrative needs

Recommendation

Following review and agreement by the Personnel Committee, this proposal is recommended to be presented to the Kingsville Baptist Church congregation for discussion and congregational vote at a business meeting.
