General Purchasing Rules

- All purchases must fit within the approved annual budget.
- Being in the budget does not automatically authorize every purchase; approval levels still apply.
- Approval authority does not authorize spending outside the approved budget unless separately approved by the Finance Committee or the church.
- No individual may commit church funds without the appropriate prior approval.
- Personal purchases may never be made with church funds.

Quotes and Competitive Bids

- Under \$1,000: reasonable pricing expected.
- \$1,000–\$3,000: obtain at least two quotes when practical.
- More than \$3,000: obtain at least three written quotes unless only one qualified vendor exists.
- Purchases exceeding \$25,000 require approval by a two-thirds vote of the members present at a special-called business meeting.
 - A quorum of 40% of the current year's average Sunday Morning attendance is required for these purchases.

Contract Authority

- No employee, volunteer, or committee may sign contracts on behalf of the church unless authorized by the church or the Finance Committee.

Emergency Purchases

- Emergency spending to protect people, prevent major property damage, or restore essential services is granted to the Building and Grounds Committee and the Finance Committee.
- Emergency expenditures exceeding the normal approval limits shall be reported to the Finance Committee within seven days and to the church at the next regular business meeting.

Reimbursements

- Reimbursement requests must include receipts, the ministry purpose, the applicable budget category, all required approvals, and must be submitted within 30 days of the purchase.

Church Credit/Debit Cards

- The church may issue cards to those deemed necessary, with spending limits set by the Finance Committee.
- All purchases require a receipt.
- Credit and debit card statements shall be reviewed monthly by the Finance Committee or its designee.
- Personal purchases are prohibited with church funds.
- Credit/Debit cards and card information cannot be given to anyone other than the approved cardholder.
 - Violation of this will result in the card being canceled and immediate forfeiture of card custody.

Conflict of Interest Disclosure

- Any church officer, committee member, employee, or volunteer with a financial interest in a proposed purchase shall disclose that interest and abstain from participating in the approval of that purchase.

Tax Exemption

- The church is a 501c3 and is thus exempt from sales tax in the state of Missouri.
- All purchasers should attempt to make purchases with this benefit.
 - This is best practice, but it is understood that this is not always possible
